What is Long Term Disability insurance?

Long Term Disability (LTD) insurance helps replace a portion of your income for an extended period of time.

Eligibility Requirements

Long Term Disability:

All active full-time employees working at least 30 hours per week are eligible to participate.

How is “Disability” defined under the Plan?

Generally, you are considered disabled and eligible for long term benefits if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with the requirements of the treatment and you are unable to earn more than 80% of your predisability earnings at your own occupation for any employer in your local economy.

Following the Own Occupation period, you are considered disabled if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with the requirements of treatment and you are unable to earn 80% of your predisability earnings at any gainful occupation for which you are reasonably qualified taking into account your training, education and experience.

For a complete description of this and other requirements that must be met, refer to the Certificate of Insurance provided by your Employer or contact your MetLife benefits administrator with any questions.

What is the benefit amount?

Long Term Disability:

The Long Term Disability benefit replaces a portion of your predisability monthly earnings, less other income you may receive from other sources¹ during the same Disability (e.g., Social Security, Workers' Compensation, vacation pay etc.).

The Benefit amount is 60% of your predisability monthly earnings subject to the plan's maximum monthly benefit.

What is the maximum monthly benefit?

The amount of the Long Term Disability benefit may not exceed the maximum monthly benefit established under the plan, regardless of your annual salary amount. The maximum under this plan is \$5,000. If your salary exceeds \$5,000, your LTD benefit will be limited to this maximum.

When do benefits begin and how long do they continue?

Long Term Disability:

Benefits begin after the end of the elimination period. The elimination period begins on the day you become disabled and is the length of time you must wait while being disabled before you are eligible to receive a benefit. Your elimination period for Long Term Disability is 90 days.

Your plan's maximum benefit period and any specific limitations are described in the Certificate of Insurance provided by your Employer.

Answers to Some Important Questions...

Q. Can I still receive benefits if I return to work part time?

A. Yes. As long as you are disabled and meet the terms of your Disability plan, you may qualify for adjusted Disability benefits.

Your plan offers financial and rehabilitation incentives designed to help you to return to work when appropriate, even on a part-time basis when you participate in an approved Rehabilitation Program.

While disabled, you may receive up to 100% of your predisability earnings when combining benefits, rehabilitation incentives, other income sources such as Social Security Disability Benefits and state disability benefits, and part-time earnings.

With the Rehabilitation Incentive you can get a 10% increase in your monthly benefit.

The Family Care Incentive provides reimbursement up to \$400 per month for eligible expenses, such as child care, during the first 24 months of Disability.

You may be eligible for the Moving Expense Incentive if you incur expenses in order to move to a new residence recommended as part of the Rehabilitation Program. Expenses must be approved in advance.

Q. Are there any exclusions for pre-existing conditions?

A. Yes. Your plan may not cover a sickness or accidental injury that arose in the months prior to your participation in the plan. A complete description of the pre-existing condition exclusion is included in the Certificate of Insurance provided by your Employer or contact your MetLife benefits administrator with any questions.

Q. Are there any exclusions to my coverage?

A. Yes. Your plan does not cover any Disability which results from or is caused or contributed to by:

- War, whether declared or undeclared, or act of war, insurrection, rebellion or terrorist act;

- Active participation in a riot;
- Intentionally self-inflicted injury or attempted suicide;
- Commission of or attempt to commit a felony.

Q. Are there any limitations to my coverage?

A. For Long Term Disability, limited benefits apply for specific conditions:

If you are disabled due to alcohol, drug or substance abuse or addiction OR mental or nervous disorders or diseases OR fibromyalgia OR neuromuscular, musculoskeletal or soft tissue disorder OR chronic fatigue syndrome and related conditions OR self-reported conditions, we will limit your Disability benefits to a combined lifetime maximum for any and all of the above equal to the lesser of:

- 24 months; or
- The Maximum Benefit Period.

If your Disability is due to alcohol, drug or substance addiction, we require you to participate in an alcohol, drug or substance addiction recovery program recommended by a physician. We will end Disability benefit payments at the earliest of the period described above or the date you cease, refuse to participate, or complete such recovery program.

Your Disability benefits will be limited as stated above for mental or nervous disorder or disease except for:

- schizophrenia;
- neurocognitive disorders; or
- bi-polar 1 disorder

Other limitations or exclusions to your coverage may apply. Please review your Certificate of Insurance provided by your Employer for specific details or contact your benefits administrator with any questions.

The "Plan Benefits" provides only a brief overview of the LTD plan. A more complete description of the benefits provisions, conditions, limitations, and exclusions will be included in the Certificate of Insurance/Summary Plan Description. If any discrepancies exist between this information and the legal plan documents, the legal plan documents will govern.

Long Term Disability ("LTD") coverage is provided under a group insurance policy (Form GPNP99) issued to your employer by MetLife. This LTD coverage terminates when your employment ceases, when you cease to be an eligible employee, when your LTD contributions cease (if applicable) or upon termination of the group contract by your employer. Like most group insurance policies, MetLife's group policies contain certain exclusions, elimination periods, reductions, limitations and terms for keeping them in force. State variations may apply.

1 Under certain circumstances, MetLife may estimate the amount of income you may receive from other sources.
