Supplemental Compensation Plan Qualification

A general agent may be eligible for Supplemental Compensation^{2,3} based on the specific qualification criteria detailed below.

A general agent may qualify for Supplemental Compensation based on:

- (1) Inforce premium up to \$9,999,999 as of October 1, 2018^{4,5}
- (2) New Business Premium and/or New Business Coverage Groupings with effective dates between January 1, 2019 and December 31, 2019 (the "Qualification Period"), **AND**

2. In certain circumstances, MetLife may set the Supplemental Compensation percentage as a fixed percentage and the qualification criteria set forth in this brochure will not apply.
3. MetLife may in its discretion aggregate Tax IDs for Qualification while applying payment to the individual Tax IDs, if requested to do so by the general agent. A request to aggregate must be submitted no later than July 1, 2018.
4. For purposes of determining which of the 2019 Supplemental Compensation Programs a general agent will qualify under, inforce premium is determined as of October 1, 2018, including New Business Premium with effective dates on or before October 1, 2018. MetLife may, however, in its sole discretion determine annualized inforce premium at the end of the Qualification Period for certain general agents based on changes in inforce premium during the Qualification Period.
5. If two or more general agents merge prior to the qualification period and this results in an increase of 50% or more of the acquiring general agents firm's inforce block of business with MetLife, MetLife reserves the right to remove the combined general agents from the 2019 SCP program.
6. If a general agent has no inforce premium as of the beginning of the Qualification Period with MetLife and qualifies for new business, the general agent is eligible for a Supplemental Compensation scale at the greater than 95.0% Year End Persistency.

Products or services sold to customers whose situs is outside the United States and its territories are excluded.

Supplemental Compensation Payment Calculation

MetLife pays Supplemental Compensation at a single Tax ID level. Payment is calculated based on 2019 Received and Earned Premium. The Supplemental Compensation Rate will be applied to New Business Premium and Renewal Business Premium. The Received and Earned Premium is multiplied by applicable New Business or Persistency Supplemental Compensation rate. The Supplemental Compensation rates for New Business and Persistency is a declining scale, and as a customer’s Received and Earned Premium accumulates, the compensation MetLife pays moves down the scale separately for each coverage grouping. The Supplemental Compensation rates will be applied to Received and Earned Premium on bill dates for the calendar year. Payment will be made by March 15, 2020 in one lump sum. (See Payment Guidelines on page 6 for more details.)

7. New and renewed Safeguard Vision cases are excluded from Supplemental Compensation for qualification and payment purposes.

8. MetLaw is excluded for qualification and payment for customers with less than 100 employees.

9. Texas Life Whole Life is available through your MetLife representative and is underwritten by Texas Life Insurance Company, 900 Washington, Waco, Texas. Texas Life is not affiliated with Metropolitan Life Insurance Company or its affiliates.

Qualification Guidelines

ASO/PAR Customers

For ASO and Participating (“PAR”) customers/coverages, MetLife will apply the full ASO fee or the PAR premium amount towards qualification.

Coverage Grouping Count

Coverage Groupings counts are determined at the customer level. For a given customer number, a general agent will receive a single Coverage Grouping count for each new Coverage Grouping.

Enrolled Lives

If the number of enrolled lives for a coverage increases or decreases for a customer following the effective date of the new business coverage, there will be no impact to the New Business Premium qualification calculation.

General Agent of Record

The General Agent of Record on the effective date of qualifying new business sold during the Qualification Period will receive qualification credit for annualized New Business Premium and Coverage Grouping counts; there is no prorating of the qualification credit. A customer's coverage must be in force at the end of the Qualification Period in order to be counted towards qualification for New Business.

Where there is a General Agent of Record change on in force business during the Qualification Period, such business is excluded from qualification for Persistency.

General Agent Splitting/Deal %

If two or more general agents split override, only the New Business Premium will be apportioned. The apportionment will be the same as the general agent override compensation apportionment. Each of the recognized general agents splitting the compensation will receive full credit for the number of the customer's Coverage Grouping(s) sold during the qualification period.

Opting Out

All Premium is counted for qualification purposes. However, if a customer chooses to Opt-out of the Supplemental Compensation Plan, no Supplemental Compensation will be paid in relation to that customer's premium.

Payment Guidelines

Advances

No Supplemental Compensation payments shall be made in advance of when it is due under the Supplemental Compensation Plan.

ASO/PAR Customers

ASO fees and PAR premium are reduced to 25% of the actual ASO fees and PAR premium prior to applying the applicable Supplemental Compensation percentage.

General Agent Eligibility

MetLife reserves the right to remove a case for qualification and payment purposes, where MetLife finds the entity serves also as a broker. A general agent is only eligible for Supplemental Compensation. A general agent cannot be eligible for both Broker and General Agent Supplemental Compensation.

General Agent of Record

Supplemental Compensation shall be earned by the General Agent of Record only so long as the premium is deemed to be Received and Earned Premium, and provided MetLife continues to recognize the general agent as the General Agent of Record for the Bill Dates during the Qualification Period.

Capping

MetLife will pay a general agent a maximum of \$800,000 (the “Cap”) of total Supplemental Compensation per customer. (See Guidelines — Payment and Timing.) The Cap is based on a maximum of \$200,000 for the total amount of New Business core product coverages, \$200,000 for the total amount of Renewal Business core product coverages, \$200,000 for the total amount of New Business voluntary product coverages, and \$200,000 for the total amount of Renewal Business voluntary product coverages as defined on page 4.

If more than one general agent is eligible for Supplemental Compensation with respect to one customer and Supplemental Compensation is more than \$800,000, MetLife may apply the Cap or Caps per customer for each general agent so long as the general agents are not affiliated or under common ownership or control. MetLife may, in its sole discretion, determine when a general agent has an affiliation or common ownership with another general agent. MetLife reserves the right to determine in its sole discretion how the Caps are applied.

If a customer acquires another company that does not have eligible group products prior to the acquisition, MetLife will treat the existing customer and the acquired company as separate companies for purposes of applying the Cap or Caps under the 2019 Supplemental Compensation Plan.

MetLife reserves the right to consider the customer and the acquired company to be one customer in relation to any future Supplemental Compensation Plans.

Notwithstanding, any of the other provisions in this section, MetLife reserves the right to apply the Cap or Caps in instances where customers are deemed by MetLife in its sole discretion, to be affiliated or under common ownership.

Customer Authorization

MetLife reserves the right to obtain written customer authorization before making any Supplemental Compensation payment.

Overpayments

The general agent shall immediately return any overpayment of Supplemental Compensation. Any Supplemental Compensation paid to a general agent that is not earned by the general agent shall be immediately returned and MetLife reserves the right to offset any funds payable by a general agent against any funds payable to the general agent. By cashing any check or otherwise accepting any payment, including any Supplemental Compensation payment, the general agent thereby agrees that MetLife may offset any funds payable to the general agent in order to recover an overpayment or any other funds payable by the general agent.

Primary Payee

In instances where multiple payee codes exist for a single Tax ID, MetLife will require a duly authorized representative of the general agent to designate in writing a primary payee. When a primary payee is designated, it will remain in effect until MetLife receives and approves a written change request.

Definitions

In addition to the defined terms below, some terms may be defined where they first appear in this brochure.

1. **“Annualized Billed Premium”** – the last billed premium earned and received in good order at the end of the qualification period is then used to calculate an annual premium amount.
2. **“Bill Date”** – Billing due date for the premium of the customer.
3. **“Coverage Grouping”** – one or more coverages or group products or services marketed by MetLife that are eligible for qualification and payment under the Supplemental Compensation Plan.
4. **“General Agent”** – a licensed broker contracted by MetLife through a General Agent Agreement to perform select services, and not paid compensation by MetLife pursuant to any other agreement.
5. **“General Agent of Record”** – the general agent as recognized and determined by MetLife to support and service the coverage for the customer’s eligible group insurance coverage.
6. **“Division Number”** and **“Experience Number”** – terms used internally. A Division Number or Experience Number may be used to identify sub-groups within a customer. For example, a customer may choose to have one sub-group of its employees covered for basic life insurance benefits under one Experience Number and another sub-group of its employees covered for basic life insurance benefits under a different Experience Number. MetLife reserves the right to determine in its sole discretion whether to permit multiple Division Numbers or Experience Numbers under one customer.
7. **“Inforce Premium”** – the Annualized Billed Premium for customers whose group coverages are in force as of the calculation date. For purposes of determining inforce premium, MetLife includes all customers of the general agent, including customers with Zero Commission Coverages and Opt-Out customers.
8. **“New Business Premium”** – New Business Premium is Annualized Billed Premium for new coverages with an effective date during the Qualification Period. For payment purposes, New Business Premium is Received and Earned Premium credited to a billing cycle that occurs during the first twelve (12) months following the coverage effective date for the 2019 Supplemental Compensation Program Year.
9. **“Opt-out”** – the act of electing to exclude a general agent’s Tax ID, customer, Division Number, Experience Number and/or Coverage Grouping from participating in the Supplemental Compensation Plan. This can be accomplished by contacting the General Agent Service Center.
10. **“Persistence”** – Persistence is calculated by dividing the Inforce Premium as of December 31, 2019 for customer coverages for which a general agent is General Agent of Record by Inforce Premium as of December 31, 2018 for the same coverages. The persistency calculation utilizes only the premiums associated with the inforce coverages in effect on December 31, 2018. Coverage(s) effective on or after January 1, 2019 will be excluded. Coverages that cancel on December 31, 2018 or January 1, 2019 will impact the 2019 Persistency Qualification. Coverage(s) for which there was a General Agent of Record change during the qualification period where MetLife retained the customer will be excluded. For purposes of calculating a General Agent’s persistency, MetLife includes all customers of the General Agent, including customers with Zero Commission Coverage and Opt-Out customers. For qualification purposes and upon notification by the General Agent of Record, a conversion from insured to ASO will be excluded from the Persistency calculation. A premium case cap of \$250,000 for all coverages and \$500,000 for Dental will be utilized in the persistency calculation.
11. **“Received and Earned Premium”** – the premium paid by a customer and allocated by MetLife to loss experience, expense and profit for the customer’s case, and used to calculate base compensation.
12. **“Renewal Business Premium”** – Premium received by MetLife to credit a billing cycle that occurs after the first twelve (12) months following the coverage effective date.
13. **“Tax ID”** – an individual’s social security number or a firm’s taxpayer identification number.
14. **“Zero Commission Coverage”** – group coverage where the General Agent of Record is not receiving base compensation, whether or not MetLife or the customer pays any amount to that general agent. Both the general agent and customer must sign the Customer Authorization Form to include a Zero Commission Coverage in the Supplemental Compensation Plan for purposes of determining eligibility and Supplemental Compensation payable. Once a Customer Authorization Form is completed and submitted for the 2019 Supplemental Compensation Plan, it will remain in effect for subsequent supplemental compensation plans unless a customer notifies MetLife in writing of its intention to terminate the authorization.

Customer Authorization Form

MetLife requires customer consent by means of the Customer Authorization Form in order to include a Zero Commission Coverage for qualification and/or payment purposes. Supplemental Compensation will only be paid on Zero Commission Coverages with an effective date on or after January 1, 2010, provided a Customer Authorization Form is received by December 31, 2019, and the general agent is recognized as the General Agent of Record as of the effective date of the coverage.

Effective July 1, 2016, MetLife will accept a Customer Authorization Form (and pay supplemental or General Agent Advantage Compensation) for coverages with effective dates before January 1, 2010 under the following conditions:

1. A new Supplemental Compensation eligible group product for qualification (as defined on page 4) is added; or
2. A MetLife Auto and Home product is added; or
3. A qualifying re-enrollment campaign¹⁰ for existing coverages is implemented; or
4. A customer converts from ASO to non-participating Dental, STD or LTD insurance.

For previously excluded coverages (as described above) where no base commission had been payable or that had a base commission change, a signed Customer Authorization Form is required in order to be eligible for payment and qualification under the supplemental and the General Agent Advantage compensation plans.

Both the general agent and the customer must sign the Customer Authorization Form. MetLife reserves the right to exclude from its Supplemental Compensation Plans any business where a general agent may have represented that general agent compensation paid under their Supplemental Compensation Plans with respect to a customer's coverage will reduce the price or premium rates with respect to the customer's coverage.

If a customer submits a Customer Authorization Form for the 2019 Supplemental Compensation Plan, it will remain in effect for current or subsequent supplemental compensation plans and/or General Agent Advantage Compensation Plan, beginning with 2019 Supplemental Compensation, unless the customer notifies, in writing, of its intention to terminate the authorization. Annual notices maybe provided to customers who have submitted the Customer Authorization Form describing changes to its supplemental compensation plan from the prior year.

The customer may terminate the authorization at any time. Termination of the authorization will take effect within thirty (30) days after notification is received and no payments in relation to that customer's premium will be made thereafter under any supplemental compensation plan.
