

Download the MetLife Retirement mobile app

On-the-go and at your fingertips from any mobile device, the app lets you:

- ✓ **Enroll in your retirement plan or log in** to your existing account using the same login credentials you use for your retirement plan's website
- ✓ **Easily manage your contributions,** investment selections and beneficiaries¹
- ✓ **View your account balances,** funding options, rate of return, document delivery preferences and more
- ✓ **Use fingerprint and facial recognition²** to safely access your account in seconds without having to remember a username and password

Download the app today!

To find the app, search for **MetLife Retirement** in the App Store or Google Play.

1. Account management features may vary depending on your company's plan.
2. Biometric authentication features not available on all devices.
